

Premium Architectural Hardware Products

About us

We offer a select range of classic and contemporary, mainly brass-based, architectural hardware.

Our range includes products such as door and window furniture, cabinet handles, shelf brackets, butlers bells and bell pushes, plus much more.

Our choice of styles and finishes suit the needs of professional installers and specifiers for both residential and commercial projects.

All our quality products are offered at competitive prices backed by a prompt, professional service to match.

Depth: 125mm
Length: 500mm

Section 7

Our Finishes

Bright Chrome

Bright Chrome, also known as Polished Chrome, has a striking, mirror like appearance that is highly reflective and hard wearing.

Matt Black

Matt Black is a deep, dark, and non-reflective shade of black giving it a smooth, flat appearance. This lack of shine can create a sophisticated and modern look for modern interiors.

Satin Nickel

Satin Nickel has a warm and subtle sheen. It has a non-reflective surface that gives it a sophisticated yet understated look featuring very fine brush marks.

Polished Brass

Polished Brass is a highly reflective bright finish that exhibits a warm touch of elegance and sophistication. Available both lacquered and unlacquered.

Satin Chrome Plate

Satin Chrome is a subtle brushed finish that gives a matt, lightly grained effect to the surface.

Dark Bronze

Dark bronze is a deep, rich brown with reddish undertones, often appearing slightly muted or antique. It's a popular choice for architectural details, hardware, and furniture, providing a touch of elegance and sophistication.

Satin Brass

Satin Brass has a soft, matt texture. Unlike Polished Brass, which has a highly reflective surface, Satin Brass features a more subtle appearance. This is a smooth finish with very fine brush marks.

Antique Brass

Antique Brass has a deep, muted gold tone that can vary from light to dark brush marks.

Polished Nickel

Polished nickel is a luxurious finish known for its smooth, shiny surface that resembles chrome but with a warmer tone.

Pewter Finish

Pewter has a soft, silvery-grey colour with a subtle sheen. Because of its more neutral finish, it can work well with both cool and warm palettes.

Care Guide

Maintaining the appearance of the products you buy from us can take a little love and care.

For guidance on how to look after them, please visit our website: primahardware.co.uk/care-guide

Terms and Conditions

Product Specification

Every care has been taken to ensure that descriptions, patterns, and sizes are correct at the time of publication. Prima Hardware Ltd. reserve the right to withdraw products without notice or introduce new and amended ranges. Any alterations will be notified whenever required.

Faulty Goods>Returns

Products found to be faulty will be replaced after an image of the defect has been emailed to us. All such claims must be notified to us within three days of receipt of goods. Any returns must be notified immediately so that the necessary Terms can be advised.

Shortages/Damages

Shortages must be advised within three working days from receipt of goods and an image of damages emailed to us to make an assessment for replacements due to Courier negligence. Packages received as such must be signed 'Damaged' on the driver's delivery note.

Goods Ordered Incorrectly

These goods will be credited subject to their original condition, but a handling surcharge will be applied.

Pricing & Payment

Are subject to alteration without prior notice. All prices are in GBP and include VAT unless stated otherwise. Payment is required in full before dispatch.

Cancellations

Cancellation of an order will only be accepted when all costs and expenses incurred by us are reimbursed whilst a handling charge is made for all such costs.

Delayed Delivery

Most items are ex-stock and if any item is out of stock, we will not be liable for any claims arising because of such delay or due to other circumstances beyond our control.

Carriage Charges

Carriage paid on all orders above £100 net invoice value. Orders with a net value between £50 to £99.99; carriage will be £9.50. Orders with a net value under £50; carriage will be £11. For any direct delivery to UK mainland irrespective of value would be £12 and POA for non-UK mainland areas.

Title of Goods

Title of any goods supplied hereunder shall remain vested in Prima Hardware Ltd. until such time as the amount and any other charges have been paid to Prima Hardware Ltd. in full. Prima Hardware Ltd. without notice or liability shall be entitled to enter upon any premises owned by the customer and repossess any goods unpaid for, and the customer agrees to pay any such costs.

Liability

We are not liable for indirect or consequential losses. No liability is accepted for delays, installation issues, or usage-related damage.

Application of Conditions

Where a purchaser's official order contains special printed conditions, these shall only be binding when they are not at variance with our Terms and Conditions.

Acceptance of Terms

Without any specific agreement in writing amending the conditions of sale as listed here will be interpreted by Prima Hardware Ltd. as full agreement and acceptance of our Terms and Conditions of sale by the purchaser.
